PLACE OF THE CLEAR SALT WATER

LAND ACKNOWLEDGEMENT STATEMENT

“Every part of this soil is sacred in the estimation of my people. Every hillside, every valley, every plain and grove, has been hallowed by some sad or happy event in days long vanished.”

Chief Seattle 1854

We would like to begin by acknowledging that the land on which we gather is within the aboriginal territory of the suq^wabš “People of Clear Salt Water” (Suquamish People). Expert fisherman, canoe builders and basket weavers, the suq^wabš live in harmony with the lands and waterways along Washington’s Central Salish Sea as they have for thousands of years. Here, the suq^wabš live and protect the land and waters of their ancestors for future generations as promised by the Point Elliot Treaty of 1855.

Tonight's Agenda:

6:30-6:50 Overview of COS K-12 Programs

6:50-7:00 Transition to Program Presentations

7:00-7:30 Meet with staff for presentations(Q & A)

Please pick up applications and sign in at each program's information table. Thank you for coming.

More tours will be scheduled in the future. Visit our website to stay informed.

What are option programs or choice schools?

<https://www.bisd303.org/domain/2086>

Application Process

All of the Commodore Options programs require an application for enrollment. We are a public school of choice in the Bainbridge Island S.D. serving the students of Bainbridge Island.

If you are an out-of-district student, there are additional forms to complete.

Application due dates will be posted in January for the following school year. Please visit our website to see upcoming information nights and opportunities to learn more about our programs.

Learning and growing
together!

**Who are we and
what do we offer?**

Commodore Options K-12 is a public school in the Bainbridge Island S.D. supported by student application for enrollment and family choice. The core tenets of all programs are student voice, choice, parental involvement, multi-age classrooms, developing the self-directed learner, and a commitment to student growth.

Our Programs

ODYSSEY K-8

Odyssey is a multi-age learning community focusing on developing the self-directed learner in a supportive learning environment. Parent-volunteers are in the classroom daily and students are able to grow in confidence and skills at their own pace with small or large group core instruction and weekly enrichment opportunities. The beauty of Odyssey is the small, personalized learning environment for students over many years with the same group of students, teachers and families. Enrollment is based on an application and lottery system each spring.

MOSAIC HOME EDUCATION PARTNERSHIP K-8

Mosaic provides educational support to both independent home-schooling students and Alternative Learning Experience (ALE) students and their families. It provides support to students,

parents, and staff who value individualized education and celebrating the individual's creativity, learning style, and strengths. Students participate in weekly enrichment classes and monthly meetings with their advisor.

EAGLE HARBOR HIGH SCHOOL 9-12

EHHS is a small, options high school offering a personalized learning environment where the individual student has voice and choice. Students enroll in a combination of seat-based classes, independent studies, and community mentorships to navigate high school and experience personal challenge and growth. EHHS focuses on developing relationships, creating a supportive learning community, and the self-directed learner.

How do we celebrate community and a love for learning?

Our students participate in project based learning, integrated projects, service learning opportunities, experiential learning, K-8 outdoor education, field trips, parent-led mini-classes, student-led conferences and weekly enrichment. Community is at the heart of what we do in all of our options schools. Student voice and choice everyday!

COS Goals and Focus Areas

COS K-12 programs and staff support the whole child as a learner and support the social-emotional development of each individual child within the multi-age learning environment.

Our work is **student centered and supported with data**, using our screening, assessment and curricular tools. MTSS encompasses all areas of our DIP/SIP goals by **focusing on best instructional practices and strategies, SEL** supportive measures for all students, and creating a '**culture of care**', **relationship building, and inclusion.**

COS: Student Centered and Responsive to Individual Needs with Support

TEACHING & LEARNING

Teachers will be using multiple sources of formative and summative assessments to identify needs and create support systems for the students, both academic and social-emotional. Teachers will use assessment data in the EduClimber platform (Fastbridge, SBA, screening and intervention tools) to create individualized student support plans as part of the BISD MTSS process.

1. K-8 Students will be screened 2-3x year using Fastbridge Assessments (Math, ELA, and SEL); MTSS student data reviewed, interventions implemented, and progress monitored.
2. 3rd-12th SBA MATH and ELA Assessments
3. K-4 Reading Club Intervention and Math Intervention (staff supported)
4. EHHS math intervention and support focus (homework club, Achieve, STRIVE tutoring, etc)
5. Parent volunteers to be trained in math intervention and enrichment activities

K-12 Student Voices Matter

EQUITY, ANTI-RACISM,
INCLUSION, DIVERSITY
& JUSTICE

We are a personalized, multi-age, school of choice learning community that celebrates individuals for who they are, and we meet their needs where they are. Our goal is to model and promote a learning community where every voice matters and choice is valued. All K-12 students have the opportunity to participate in student leadership at COS.

All K-12 students will participate in Student Led Goal Setting conferences appropriate for their grade level. EHHS students will end each semester with a presentation of goals and reflections, academic achievement, and areas of support needed through an online portfolio. (Google Site or slides) to staff, peers, and parents. The goal is to identify and celebrate individual growth, success, and challenges to develop [self-directed and independent learners](#).

COS Cares for the Whole Child and Community

HEALTH,
WELL-BEING
& SAFETY

1. COS counselor is implementing [Character Strong](#) units in the classroom, supporting Second Step lessons on bullying prevention in the K-2 classrooms, and supporting classroom teachers during 7-12 Advisory periods and K-6 class meetings.
2. COS will address SEL topics with our parent community through PTO meetings and parent nights. (executive functioning skills, anxiety, high risk behaviors, cell phone use, etc)
3. We have monthly K-8 assemblies for Odyssey to focus on community building and character traits.
4. EHHS focuses on weekly Homeroom/Advisory time to address community needs, celebrate together, and dedicate time to academic goal setting/intervention.
