

# SAKAI PARENT/GUARDIAN CLASS PLACEMENT INPUT

2024-2025

We look forward to partnering with you to ensure your student has a positive experience at Sakai. As parents and guardians, we invite you to share information that would be helpful for us in making classroom assignments for 2024-2025. Your input will be considered in the placement decision, and will be shared with the new classroom teacher. Parent and guardian requests for specific teachers or to be in class with specific friends, will not be considered. Our goal is to create balanced supportive learning communities. The principal has final responsibility for classroom assignments. For next year's parent and guardian input for placement, you have the choice to utilize either the electronic [Google form located here](#) or this paper form.

These forms are optional and either form can be submitted to Sakai by **Friday, May 17th**. Paper forms can be scanned and returned to us via email to Beth Hebert, [ehbert@bisd303.org](mailto:ehbert@bisd303.org).
