

Wilkes Science & Engineering Fair Sign Up

Forms must be submitted the **Friday before** the Wilkes Science & Engineering Fair.

Return this form to reserve a space for your project.

Students Name _____ Teacher/Grade _____

The **subject** of my project is: _____

CATEGORY (circle one)

1. Labeled Drawing 2. Experiment 3. Technology 4. Demonstration
5. Model/Diorama 6. Observation Report 7. Engineering/Invention

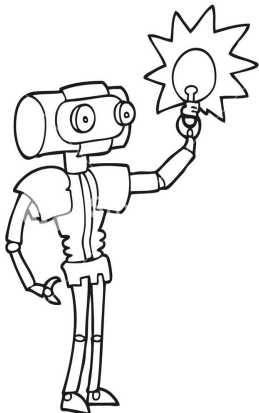

I need a computer for my project. (We will have a laptop available the night before the science fair so you can make sure things are running properly).

Note for Parents: The science fair is to promote your child's interest in science. Of course you will encourage your child to do his/her best work but please do not do the project for them. If you have any concerns or questions about how much help you can give please contact your child's teacher.

I have read and discussed the entry form with my child and I give permission for my child to enter the Wilkes Science Fair.

Parent/Guardian Signature

Date

Project Drop Off: In the Commons/Lunch Room

- Wednesday Evening 5:30pm-6:30pm (**before** the Science Fair)
