Facility Scheduling Notes:

Facilities are made available for scheduling according to dates posted on the Facilities & Field Use page of the BISD website: <http://www.bisd303.org/domain/117>. All facilities scheduling is made through SchoolDude's Facilities Scheduling Direct (FS Direct) program (see below).

The following steps must be taken before users can be approved to schedule a facility:

1. An account must be requested through FS Direct (terms & conditions must be reviewed) on the following website: <http://www.communityuse.com/default.asp?acctnum=805130720>. Agreement to the terms and conditions allows access to create an account in FS Direct.
2. A Compliance and Certificate of Insurance form must be completed and submitted (listing BISD as additionally insured) to the Facilities Maintenance Building located at 9445 New Brooklyn Rd NE or via email to dfenwick@bisd303.org.
3. An email notification is generated (after receipt and approval of documents) with the user's login information. This allows the user to login to FS Direct for program scheduling.
4. Note: Successful request submission does not automatically result in booking approval. After submitting a request, a scheduling administrator reviews it. The user will receive two emails; one confirming success of submission, and another that activates or denies the request.

Staff fees, including Technology, are calculated to include 30 minutes before and after scheduled event time, for set up and cleanup. Additional fees may apply depending on the condition of the facility at the end of an event. Custodial fees may apply during regular school days. Utility costs are factored into hourly rates (except on long term leases). Holiday rates are the same as Sunday rates. Rental cost estimates may be requested through Dane Fenwick, Facility Manager: DFenwick@bisd303.org

Please note that BISD school programs/activities always take precedence over any scheduled event. While the district aims to have advance notice for scheduled school events, approved events may be subject to change and/or cancellation if a school program requires use of that facility.

If you have questions or concerns about facility usage, please contact Facilities Manager, Dane Fenwick (DFenwick@bisd303.org).
