

**5**

I am not doing well with effort. I don't try at all. I need lots of help when I am at a 5.

**4**

I have ok effort. I try a little bit, but stop doing work when I get bored. I need reminders to stay on task.

**3**

I am doing well. I try and push myself to work as long as I can.

**2**

I have great effort. I work on a task independently until it is finished.

**1**

I have super effort. I can work on a task independently until completed and go back and check for mistakes.
