

BISD Students

Name _____

Welcome to BHS!

This is an overview of the classes you will take in ninth grade. You will be automatically scheduled into your required classes.

Over the next week you will request elective classes to complete your schedule for ninth grade. Please select four first choices for elective classes (two of these can be a world language). Also, select five alternate choices that you are interested in, as we cannot guarantee your first-choice requests.

Semester	Semester	Notes
English 9	English 9	All ninth grade students are automatically enrolled in English 9. There is an embedded honors option, available to all students in each English 9 class.
Biology	Biology	All ninth grade students are automatically enrolled in Biology. If you would like to request to take Physics instead, please request Physics as an elective choice.
Math <small>Teacher Recommendation</small>	Math <small>Teacher Recommendation</small>	All ninth grade students are automatically enrolled in math class based on placement by 8th grade teacher (if a BISD student in 8th grade).
Analyzing the Modern World	Ninth grade Health	All ninth grade students are automatically enrolled in required social studies course and health course. These courses may be scheduled either semester.
