**Student Data Sheet**  
*(Necessary for your Counselor Recommendation. Submit 4 weeks before the deadline!)*

Employers, colleges, or scholarship donors often ask applicants to submit letters of recommendation. The purpose of this form is to help you organize information that is needed by the letter writer. While not all of this may be necessary for each situation, it is better to have more information than less. This form should be submitted only to the student's counselor (not to teachers, who will have their own requirements). Also submit the *Parent Brag Sheet* to the counselor.

**GUIDELINES**

**When requesting a letter of recommendation be sure to:**

- Think of someone who knows you well; someone who knows your strengths.
- Ask him/her in person: Would you be comfortable writing a letter for me?
- Make an appointment to give the writer your completed worksheet and answer any questions.
- Clarify the purpose of the recommendation.
- Provide plenty of time; make certain the writer knows the deadline.

**The counseling office requires 4 school weeks' notice to write a recommendation letter**

- If not an online rec, provide the writer with a stamped envelope, already addressed. Can serve as a reminder.
- Be courteous; always follow-up with a thank you note to show appreciation. These letters take time.
- Let the writer know how things turned out for you. The writer cares about you!
