

How to Order your UNOFFICIAL transcript from Parchment.com

Unofficial transcripts are FREE to the student.

1. Create a student account on Parchment.com. That link is found on the BHS webpage, under the counseling tab. IF you have already created an account and cannot remember your password, please use the “forgot password” link found on the log in page. DO NOT create another account as that “breaks” Parchment as no one student can have duplicate accounts. If you are not certain of the email that you used to create an account, please come see Counseling and we can look it up for you.
2. Once your account is created, please follow the below directions to order your Unofficial transcript.

Store a copy of your high school transcript in your account for free

When you add a high school to your account during the [ordering process](#), you have the option to receive a copy of your transcript for free. It goes straight into your Parchment account and is available for you to view at any time. It cannot be used as an official transcript and cannot be sent anywhere.

You must select the option to receive your free transcript when you are going through the process of adding your high school. You will see this when you are going through the [ordering process](#).

This feature is currently not available for college transcripts.

The screenshot shows the Parchment.com interface. At the top, there is a navigation bar with the Parchment logo, a home icon, and links for TRANSCRIPTS, COLLEGE TOOLS, and DISCUSSION (with a notification bubble for 34). Below the navigation bar, there are two tabs: SEND TRANSCRIPTS and ORDER HISTORY. The main content area is divided into two sections. The first section, 'TRANSCRIPTS SENT', has columns for INSTITUTION, DOCUMENT HISTORY, and AVAILABLE ACTIONS. Under INSTITUTION, 'Bainbridge High School' is listed. Under DOCUMENT HISTORY, the number '2' is highlighted with a yellow box, followed by 'TRANSCRIPTS SENT'. Under AVAILABLE ACTIONS, there are two buttons: 'SEND TRANSCRIPT' and 'ORDER HISTORY'. Below this section is a link to '+ ADD ANOTHER INSTITUTION'. The second section, 'MY SAVED TRANSCRIPTS', has a sub-header 'Save a copy of your transcripts in your Parchment account, so you can access your academic records when you need them'. It contains a table with columns for INSTITUTION, LAST UPDATED, and ACTION. The table has one row for 'Bainbridge High School' with the last updated date 'September 15, 2014 (update now)'. In the ACTION column, there is a 'VIEW' button. A blue callout box with the text 'Click here' and an arrow points to this 'VIEW' button.

3. Once you place your request, Parchment will put your order into an automatic “HOLD” status as your request will be sent to the counseling office for approval. The counseling office will check to make sure you have no outstanding fines or books. So make sure you have NO fines! Once the counseling office approves your request, the VIEW button will become hot and you will be able to view and print out your unofficial transcript.
