

## SAKAI PARENT CLASS PLACEMENT INPUT 2021-2022

We look forward to partnering with you to ensure your student has a positive experience at Sakai. As parents and guardians, we invite to share information that would be helpful for us in making classroom assignments for 2021-2022. Your input will be considered in the placement decision, and will be shared with the new classroom teacher. Other placement factors include balance of boys and girls, balance of students with specific learning needs and class size. Parent requests for specific teachers or to be in class with specific friends, will not be considered. The principal has final responsibility for classroom assignments. For next year's parent input for placement, you have the choice to utilize either the electronic Google form located here <https://forms.gle/dkK8ioMpPR4LDxV89> or this paper form.

These forms are optional and either form can be submitted to Sakai by **Friday, May 14th**. Paper forms can be scanned and returned to us via email to Beth Hebert, [ehebert@bisd303.org](mailto:ehebert@bisd303.org).
