Early Entrance Pre-Admission Screening Fee

The Bainbridge Island School District is allowed to recover the expenses related to preadmission screening processes. The district shall provide a fee waiver or a reduction in fees for students from low income households whose parents are unable to pay the full cost of preadmission screening. Parents will receive a report from the psychologist with the results of the assessments. The preadmission screening fee is nonrefundable, even if the family chooses not to pursue the full preadmission screening process.
