

**K-4th 2020 End of Year Remote Learning Progress Reporting  
Core Learning Standards**

*Teachers will utilize the comments section of the end of year report to share information with students and families on student progress towards core learning standards in ELA and Math.*

<b>Kindergarten</b>
<p><b>English Language Arts</b></p> <p><u>Reading</u></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Capital and lowercase letter recognition</li><li><input type="checkbox"/> Letter sound recognition</li><li><input type="checkbox"/> Phonemic Awareness (rhyming, segmenting, blending)</li><li><input type="checkbox"/> Grade level sight word recognition</li><li><input type="checkbox"/> Reading grade level text</li></ul> <p><u>Writing</u></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Introduction to Sentence Writing (narrative, informative, opinion)</li><li><input type="checkbox"/> Introduction to Writing Conventions (capitals, ending punctuation, spacing)</li><li><input type="checkbox"/> Capital and lowercase letter writing</li></ul>
<p><b>Math</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Counts by 1's and 10's to 100</li><li><input type="checkbox"/> Recognizes numbers 0-20</li><li><input type="checkbox"/> Writes numbers 0-20</li><li><input type="checkbox"/> Understands greater than, less than, equal to</li><li><input type="checkbox"/> Adds and subtracts within 10</li><li><input type="checkbox"/> Understands place value using tens and ones, 11-19</li><li><input type="checkbox"/> Introduction to geometry (2-D and 3-D shapes)</li></ul>
<b>Grade 1</b>
<p><b>English Language Arts</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Reading text with fluency and accuracy (fiction and nonfiction)</li><li><input type="checkbox"/> Apply phonics patterns to reading text and writing</li><li><input type="checkbox"/> Writing-opinion/informative/narrative pieces</li><li><input type="checkbox"/> Aware of writing conventions (capital letters, end punctuation and spaces between words)</li></ul>
<p><b>Math</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Solves addition and subtraction problems up to 100 without regrouping</li><li><input type="checkbox"/> Awareness of place value up to 120</li><li><input type="checkbox"/> Understands measurement (length and height)</li><li><input type="checkbox"/> Tells time (hour and half hour)</li><li><input type="checkbox"/> Understands graphing</li><li><input type="checkbox"/> Understands geometry (2-D and 3-D shapes)</li></ul>

- Understands fractions (half and quarter)
- Fact Fluency (for additional/subtraction facts within 10)

**Grade 2**

**English Language Arts**

- Reading grade-level text with fluency and accuracy (fiction and nonfiction)
- Comprehends grade-level text (fiction and nonfiction)
- Writes opinion/informative/narrative pieces
- Plans, edits, and revises writing

**Math**

- Solves addition problems up to three-digit numbers with regrouping
- Solves subtraction problems up to three-digit numbers with regrouping
- Understands measurement (measure, estimate and compare lengths of objects)
- Tells time (tell and write time to the nearest 5 minutes)
- Understands money (solve word problems involving money)
- Understands graphing
- Understands geometry (2D and 3D shapes/equal shares)
- Fact fluency (for addition/subtraction facts within 20)

**Grade 3**

**English Language Arts**

Reading

- Reads and comprehends Informational text - main idea, details, summarize, use of text evidence
- Reads and comprehends literary text - infer, use of text evidence, asks and answers questions, summarize

Writes grade level appropriate pieces

- Informational Writing
- Opinion Writing
- Narrative Writing
- Uses proper writing conventions - capitals, punctuation, spelling

**Math**

- Uses operations and algebraic thinking (multiplication fluency)
- Understands that fractions are parts of a whole, can ID proper fractions ( $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ ), can identify basic equivalent fractions ( $\frac{3}{6} = \frac{1}{2}$ )
- Understands numbers and operations in base ten using place value to perform multi-digit calculations
- Understands measurement and data
- Calculates area/perimeter
- Can identify and categorize grade level geometry (quadrilaterals, triangles, hexagons, pentagons)

**Grade 4**

**English Language Arts**

- Writes narrative, informative, opinion pieces
- Uses proper writing conventions - spelling, punctuation, capitalization
- Reads and comprehends grade level literature - summarize, infer, identify theme, use of text evidence
- Reads and comprehends informational text - summarize, infer, main idea, text evidence

**Math**

- Understands numbers and operations to perform multi-digit calculations including multiplication and division
- Compares, orders, adds and subtracts fractions
- Expresses and compares fractions as decimals
- Calculates and uses measurement, area, and perimeter
- Can identify, draw and measure grade level geometry concepts (points, lines, line segments, rays and angles)
