DRESS CODE REVIEW

Goal is to have a dress code that is gender-neutral and enforceable. Current policy is not being enforced on a consistent basis. SBC reviewed the current dress code. First sentence must remain part of the policy. SBC recommended that upper and lower body rules be changed to "stomach and undergarments must not be visible." Change "Jewelry/accessories" to "Accessories" to make the policy more gender neutral. Discussed and agreed upon clarifications / grammatical corrections to the sentence regarding inappropriate clothing. Change "PE" to "sports" in last sentence. Add to the end: "BHS staff members reserve the right to determine if a student is in violation of the dress code, and to take appropriate action."

SAFETY AND SECURITY - SCHOOL PROPERTY SIGNAGE

Twelve signs total are available for placement at designated access points throughout the campus. SBC reviewed proposed placement and recommends placing the signs as outlined on the map and then making a determination at a later date if more are needed.

Brian adjourned the meeting at 5:03 p.m.

Next meeting is February 23. Michele is on snack duty.
