STUDENT PARKING PERMIT APPLICATION 2016-2017

All Parking Permit Applications must be completed prior to receiving a pass.

 Parking permits are \$240.00 per spot for the entire school year. 
There are no payment plans or reduced fees for Parking.

All applications must be received by **Wednesday, September, 7th at 3:00pm** in order to be considered for a parking permit. Permits will be issued based on availability by seniority (Seniors, Juniors, Sophomores). If there are more applications than spots in each available lot (A,B,C) passes will be drawn by a lottery. Once selected, payments can be made to Sarah Spray in the BHS Accounting office. **The list of students receiving parking spots will be posted by the Accounting Office on Friday, September 9th at 8:00am.** Students will have until Friday, September 23rd to pay for their spot or it will be released and issued to another student. If you have questions please see Ms. Lemmon

Due to the limited number of spaces we ask that you limit your parking permit to one permit per household. Parking permits may not be sold or transferred to a second party. A student who is assured a parking spot in a specific student lot may not let another student temporarily use his/her permit. The registered student is responsible for their permit and the actions of any student who borrows your permit at all times. (Keep this in mind before letting a student use your permit)

Students must display their parking permit on their rear view mirror inside their vehicle at all times and the registered vehicle must be parked in your assigned lot (A, B, C).

Lot A: Behind Stadium and Gravel lot next to Stadium

Lot B: Pool and Old Pool lot by Gymnastics room

Lot C: Pit Lot (in-between Commodore and BHS)

Failure to do so may result in a parking ticket or having the vehicle towed at the students/owners expense. If there is not a space available in your assigned lot you must notify the front desk when you arrive at school.

Students park at their own risk. BHS is not responsible for theft or damage to student vehicles at any time. BHS is not responsible for any resulting impound costs of registered/non-registered vehicles.

The speed limit on campus is 10 mph and pedestrians have the right of way at all times on school grounds. All cars should be locked at all times.

Please Note: IF YOU USE THE BUS LANE ON THE WEST SIDE OF THE COMMONS/LUNCHROOM...YOUR PERMIT WILL BE REVOKED AND YOU WILL NOT GET A REFUND....THIS LANE IS FOR BUSES ONLY! Speeding, reckless driving, spinning of tires etc...on school property or on adjacent streets to the high school will result in loss of parking privileges and a fine. Use of the bus lane coming in or out of the east entrance of the school will result in loss of parking privileges and a fine.

For student's protection, the parking lots are restricted areas during school hours. Only those students who are authorized to leave campus may be in their vehicles at the time they are coming and going.

Students are NOT allowed to park before, during or immediately after school in designated visitor, staff and all other non-student parking spaces. Students with parking permits must park between the two white lines of assigned space in student parking lots.

If a student violates any of the school's parking rules and regulations listed above, the following action will be taken:

- 1st Offense: \$25.00
- 2nd Offense: \$35.00
- 3rd Offense: \$45.00
- 4th Offense: \$45.00 Fine and loss of parking privilege

If you receive a citation, it is your responsibility to take care of the fine. If you have questions you may speak to the school parking enforcer and/or Student Court. Permits may be withdrawn or suspended for failing to comply with the conditions cited at the discretion of the administration. Students who park diagonally, speed, or loiter can have their parking permit revoked. Any attempt to make copies of parking permits will result in the loss of parking privileges to **all** those involved. **A car may be towed away at the student's expense.** BHS is not responsible for theft or damage to vehicles. Students park at their own risk.

I have read and understand all the above school parking regulations. I have adequate insurance as is required by law. I agree to abide by the parking lot policy and understand the school may take appropriate disciplinary actions should the applicant fail to abide in the spirit of the regulations.
