

During Continuous Learning 2.0, class will be held remotely twice a week for 100 minutes according to the schedule. (For the current BHS schedule, please see the [BHS website](#) or [student portal](#).) You are expected to be fully present and engaged in learning activities related to this class during that time.

Course Site

Assignments will be posted and submitted via Google Classroom. Students must enroll in our Google Classroom; parents/guardians will receive weekly Guardian Summaries where they can view the Week at a Glance for updates in class assignments and activities.

Learning Objectives

Through the course of this year, English 10 students will:

- develop self-directed reading practices for academic and personal enjoyment.
- experience multiple points of view through text to explore their own understanding of the world (equity and social justice).
- understand and evaluate rhetorical devices in everyday examples.
- write to communicate effectively and revise for improvement, clarity, and growth.
- practice inquiry and research for a variety of purposes.
- communicate effectively in a variety of speaking opportunities.
- practice and improve conventions for a variety of purposes.
- be a positive community member by providing high-quality feedback to peers, participating earnestly in small-group and whole-group conversations, and moving through our shared spaces (classroom and digital) with kindness.
- practice successful student habits, such as meeting deadlines, reading and following instructions, asking questions, seeking help and support, and managing digital tools effectively to keep track of work.
- participate in effective self-reflection, self-evaluation, and metacognition.

Learning Resources

In Continuous Learning 2.0 (i.e. remote learning), books will be distributed at school at the beginning of the semester. You are expected to take care of them and return them in good condition at the end of the semester. All activities and assignments will come through Google Classroom, and we will also make frequent use of Zoom.

Sensitive Materials

One of the goals of this course is to expose students to a variety of perspectives and modes of expression. Thus, it is possible that some students may read something that they find objectionable. I encourage students to discuss individually with me about what they find objectionable; in extreme cases, alternative assignments may be designed.

Student Expectations

Academic Honesty

Honesty is a compelling principle by which we operate all aspects of student and school life. Academic honesty is highly valued at BHS. Students should not cheat or plagiarize, nor should they tolerate such among fellow students. Students do not receive credit for work that is not their own. Cheating is defined as an attempt to earn credit or receive a grade for coursework in a manner other than defined as acceptable by the teacher. Plagiarism is the taking of language, ideas or thoughts from another person or resource without acknowledging the source. Students who use plagiarized papers or projects or are involved in any other form of cheating will be subject to reduction in grades and/or disciplinary action for a first offense. Because of the serious nature of academic honesty, violations of this code may result in loss of credit for the assignment with a recorded failing grade. It may also entail loss of credit for the course with a recorded failing grade, removal from the course with a failing grade, and/ or additional appropriate disciplinary action. ([BHS Student Handbook](#))

Communications and Self-Advocacy

Especially in a distance learning environment, students need to be comfortable advocating for themselves. If you have questions or concerns, please email us and/or counselor. I cannot help you unless I know what you need. I am best reached via email or direct message on Google Classroom.

Policies & Procedures

Attendance

Attendance in this class is important for the best overall growth, experience, and connection. Attendance will be recorded through Zoom activities and/or asynchronous assignments during class time.

Grading

Our grades are recorded in two categories, major assignments (90%) and daily work (10%).

Bainbridge High School reports grades at the end of each semester; progress reports are available at the end of Term 1 and 3. Standards based grading will be used in conjunction with the following grading scales:

4	Exceeds Standards	A	95%
3	Meets Standards	B	85%
2	Approaching Standards	C	75%
1	Developing Standards	D	65%

A	93-100%	C+	78-79%
A-	90-92%	C	73-77%
B+	87-89%	C-	70-72%
B	83-86%	D+	68-69%
B-	80-82%	D	60-67%
		F	0-59

Assessments

- **Essays:** Often at the end of a unit focusing on learning, analysis, or demonstrating narrative techniques. These are often tiered assignments where students can choose from a variety of prompts ranging in difficulty.
- **Presentations:** Individual and group presentations express knowledge of content and persuade and audience.
- **Projects:** Choice of projects, when possible, allow students to display their learning and progress.

Other Assignments: Reading and Writer's Notebook will be daily/weekly requirements for personal and academic growth. Other assignments might include other types of writing, group activities, specialized preparations for class activities, visual displays, or other relevant enrichment projects.

Honors

All students in this course will be exposed to the opportunities of the embedded honors program. During each unit of study, students have choices for honors opportunities, including their personal reading goals. At the end of the year, students will choose their own passion project for their culminating honors project. When achieved, an honors designation will be added to the students transcript for the semester in which they complete honors work.

Submitting Assignments

- **Turning in work:** All work will be turned in via Google Classroom.
- **Late Work:** Students are expected to check our Google Classrooms for class assignments and links to useful resources. There are two categories of work: daily work and major assignments. Late daily work will have a grace period during the unit in which it occurs, after which it will not be accepted. Major

assignments are the minimum required for course completion; thus, they may be accepted after the unit is complete. We require that you complete this [late work form](#) when you submit any late work.

Unless you have an illness or emergency, we expect that you will ask for extensions on any work **before the due date**. We require that you submit this [request extension form](#).

You are required to either communicate with me in advance of the deadline to establish a new due date OR attend my office hour on Friday to complete your late assignment(s). I'll be there to help you!

Technology

To fully participate in this course, you will need to have access to your BISD chromebook or a similar device and an Internet connection that supports video-conferencing. You can check your device's ability to video conference by accessing [zoom.us/test](#). Your device must be in full working order, with a functional camera, speaker and microphone.

For tech support, please go to [www.bisd303.org/techsupport](#) and report your issue.

You will also want to have a private space, if possible, where you can hold video conferences with the class. English 10 is meant to be a learning community, and I value confidentiality. Consider where you can set yourself up for Zoom calls so you can be undisturbed. I realize this may be a hardship for some of you, and I am happy to brainstorm solutions together. We'll work it out.

I am looking forward to a great year together!
