

# SAKAI PARENT CLASS PLACEMENT INPUT

2020-2021

You may have information that would be helpful for us in making classroom assignments for 2020-2021. Your input will be considered in the placement decision, and will be shared with the new classroom teacher. Other placement factors include balance of boys and girls, balance of students with specific learning needs, and class size. Parent requests for specific teachers or to be in classes with specific friends, will not be considered. The principal has final responsibility for classroom assignments.

For next year's placement, this form must be submitted electronically to Sakai by **Friday, May 15th**. Please print it out, scan and return to us via email.
