

## COMMITTEES

Committees of the board, district-wide committees, and ad hoc committees may be created by a majority of the board. The purpose and structure of board and district-wide committees shall be reviewed by the board on a regular basis.

The board president shall appoint board members to serve on committees of the board. The board president shall also appoint board members to district-wide and ad hoc committees as appropriate.

Board members may also serve on community or agency committees requiring or soliciting school board participation. When such participation is deemed appropriate by the board, the board president shall appoint the board member(s) to serve on the committee(s).

The superintendent shall appoint administrators and other staff to serve on district-wide committees, ad hoc committees, and community agency committees requiring or soliciting school district participation.
