

DISTRICT ATTENDANCE AREA TRANSFERS
(Request for Specific School Assignment)

Each student residing in the Bainbridge Island School District is assigned to a designated school. However, a parent or guardian may request that his/her child be allowed to attend another school in the district. Request must be submitted before May 1, in writing, to the principal of the school at which the student is currently assigned.

Request may be granted if:

- A. A financial, educational, safety or health condition affecting the student would be reasonably improved as a result of the transfer;
- B. Attendance at another school in the district is more accessible to the parent's place of work or to the location of childcare;
- C. There is some other special hardship or detrimental condition affecting the student or the student's immediate family which would be alleviated as a result of the transfer; or
- D. Other considerations specific to the particular student and/or family.

Approval of an assignment request will be granted for a specific period of time.
