
COLLECTIVE BARGAINING

The Board of Directors for the Bainbridge Island School District encourages and promotes a good and fair working relationship among staff. The board recognizes the right of staff to join labor organizations of their own choosing and to be represented by such organizations in the negotiations of such matters and according to such procedures as may be required by law or agreement of the parties. The board will engage in collective bargaining with the properly designated bargaining units and will abide by collective bargaining agreements reached with such properly designated bargaining units.

The lead bargainer representing the district will be appointed by the superintendent. The lead bargainer will advise and inform the board regarding negotiations' progress and will negotiate within parameters established by the board. Any agreements reached by the lead bargainer and team will not be binding upon the board until formally approved by the board.
