

RENTAL, LEASE, OR USE OF DISTRICT SURPLUS REAL PROPERTY

When in the Bainbridge Island School District surplus real property is not needed for current use, the board has the authority to call for bids to rent or lease any surplus real property. Notice of the intent to rent or lease surplus property will be published in a newspaper of general circulation in the district at least 45 days before the rental or lease takes effect, if the value of the rental or lease is \$10,000.00 or more. The district may establish a minimum acceptable bid based upon the fair market value, provided that such minimum bid is non-discriminatory within classes of users.

Such property will be rented or leased for lawful purposes. The rental or lease will be in the best interests of the district and will not interfere with the conduct of the district's educational program and related activities. Proceeds from rental or lease of district property which are in excess of the operational costs incurred for such rental or lease will be deposited in the capital projects fund or debt service fund.

At the option of the board of directors, after evaluating the sufficiency of the school district's capital projects fund for purposes of meeting demands for new construction and improvements, moneys derived from the lease or rental of real property may be deposited into the district's general fund to be used exclusively for nonrecurring costs related to operating school facilities, including but not limited to, expenses for maintenance.
