## Option Programs in BISD

- ▶ Eagle Harbor High School
- ▶ Odyssey 1-8
- ▶ All Day Kindergarten
- ▶ Mosaic Program
- ▶ Online Learning
- ▶ Developmental Preschool

## History

### **POLICY 2510: OPTIONS PROGRAM**

These "options programs" provide students with a range of learning environments that emphasize different delivery models (i.e. multi-age groupings, contract or independent learning experiences, community work experience).

Student performance is evaluated in all "options programs" on a competency basis, as measured against the uniform standards and requirements of the school district.
